CAREER OBJECTIVE

Motivated and responsible student-athlete with strong teamwork, collaboration, and creative problem-solving skills. Seeking to leverage a disciplined work ethic, organizational abilities, and passion for design in a dynamic role within the Fashion Marketing industry. Currently enrolled in a Marketing Technologies course, gaining insight into digital strategies and consumer engagement. Recently participated in a French exchange program in Paris, where I spent over a week living with a local family and immersing myself in international culture, fashion, marketing and design.
